**MIDDLETOWN, PENNA., R. D. 1**

# GREETINGS

With the presentation of our 1955 edition of **DISTINCTIVE GLADS** we make no attempt to be all inclusive as to varieties. Our aim is to offer to you, our customers, a select list of varieties of proven merit, and to send you bulbs of the highest quality that can be produced. We thank those who have ordered in the past and know that you and our new customers can buy with the confidence that—**NO BETTER BULBS ARE OBTAINABLE, ANYWHERE.**

---

**AN INVITATION:** You are welcome to visit our farm located approximately three miles south of Middletown, Penna., on Route 441. Usually the greatest number of glad varieties are in bloom during August. For a Special Treat come to see our Spring Bulb Display in bloom about the 1st of May each year.

**SOMETHING FOR YOU:** The Home Gardener and Arranger is particularly in mind with the careful selection of top notch varieties used in our collections.

For the Cut-flower Grower we offer the best varieties for this purpose. We have an excellent list of commercials in quantity.

For the Fancier and Showman we offer Blue Ribbon Winners. For their convenience the three digit numbers in parenthesis following the variety, are in accordance with the North American Gladiolus Council Show Schedule. The first digit indicates size and the second and third digits denote color classification.

**ORDERING IS EASY:** A post card or invoice will acknowledge your order as soon as possible after it is received.

**EARLY ORDERS:** Avoid disappointment. Our supply becomes exhausted on many varieties late in the season and a deadline of April 1st for bulblet orders is necessary, for we plant at that time.

**NO SUBSTITUTIONS** will be made without your permission.

**RETAIL ORDERS** are shipped at our expense, to all points within the United States. Due to costs in handling on orders of less than \$2.50, please include a .50 packing fee.

**QUANTITY ORDERS** are shipped at your expense and by Express Collect unless otherwise specified.

**PENNSYLVANIA CUSTOMERS** are subject to a 1% Sales Tax of the Total Order. Tax does not apply to Out-of-State customers.

**OUR GUARANTEE:** You must be satisfied. If any stock is unsatisfactory upon arrival, write us **immediately** and we will try to satisfy you. If you like our bulbs and service tell your friends.

**ALL AMERICAN GLADIOLUS SELECTIONS:** The first Selection will be announced in January 1956 and will be available in our catalog.
